

Genealogy - Medlin

I am ggggrandson of William Medlin b1791 to 1800 in NC, he d after 1832. Married Margaret Longmire in about 1823 and they had 3 sons, George C, James M (mygggrandfather) and William T, died as infant.

In 1839 Margaret Longmire Medlin remarried to Benjamin T Williams in Madison Co, TN. They had 6 children. Benjamin died in 1870 and Margaret died in 1892.

William Medlin and Margaret Longmire probably married in Bedford or Lincoln Co. TN. George C Medlin indicated in 1850 census he was born TN (29 May 1824), James M was born in Madison Co Alabama (11 Jan 1827 information is from various sources). The 1830 Lincoln Co, TN census shows William Medlin household next to Margaret's mother Hannah Gibson (who had remarried in 1819 to James Gibson).

My gggrandfather James Madison Medlin b1827 d1893 married Catherine Sarah Burrow in 1850 in Madison Co, TN and they lived and farmed in Marshall Co, MS from about 1850-1880 and in 1880s and 1890s lived in Jackson, Madison Co, TN.

Any information that you might be able to share that could help identify William Medlin's parents or siblings would be very much appreciated.

My compliments to your website.

Joel Medlin
